

# Hymns for the live-stream Mass

## March 22, 2020

### Fourth Sunday of Lent.

---

## Opening Hymn

### Christ, Be Our Light

Bernadette Farrell

Longing for light, we wait in darkness      Longing for truth, we turn to You.  
Make us Your own, Your holy people      Light for the world to see.

**Christ, be our light!      Shine in our hearts.      Shine through the darkness.**  
**Christ, be our light!      Shine in Your church gathered today.**

Longing for peace, our world is troubled      Longing for hope, many despair.  
Your word alone has pow'r to save us.      Make us your living voice.

**Christ, be our light!      Shine in our hearts.      Shine through the darkness.**  
**Christ, be our light!      Shine in Your church gathered today.**

Longing for food, many are hungry      Longing for water, many still thirst.  
Make us Your bread, broken for others      Shared until all are fed.

**Christ, be our light!      Shine in our hearts.      Shine through the darkness.**  
**Christ, be our light!      Shine in Your church gathered today.**

Longing for shelter, many are homeless      Longing for warmth, many are cold.  
Make us Your building, sheltering others      Walls made of living stone.

**Christ, be our light!      Shine in our hearts.      Shine through the darkness.**  
**Christ, be our light!      Shine in Your church gathered today.**

Many the gift, many the people      Many the hearts that yearn to belong.  
Let us be servants to one another      Making Your kingdom come.

**Christ, be our light!      Shine in our hearts.      Shine through the darkness.**  
**Christ, be our light!      Shine in Your church gathered today.**

## Presentation

### Amazing Grace

Amazing grace! how sweet the sound, I once was lost, but now am found,	That saved a wretch; like me! Was blind, but now I see.
T'was Grace that taught my heart to fear How precious did that grace appear	And Grace, my fears relieved The hour I first believed
The Lord hath promised good to me, He will my shield and portion be	His word my hope secures; As long as life endures.
When we've been there ten thousand years, We've no less days to sing God's praise	Bright shining as the sun, Than when we first begun.

## Communion

### Shepherd Me, O God

by Marty Haugen

**Shepherd me, O God, Beyond my wants, Beyond my fears, From death into life**

God is my shepherd, So nothing I shall want     I rest in the meadows of faithfulness and love  
I walk by the quiet waters of peace

**Shepherd me, O God, Beyond my wants, Beyond my fears, From death into life**

Gently You raise me and heal my weary soul   You lead me by pathways of righteousness and truth  
My spirit shall sing the music of Your Name

**Shepherd me, O God, Beyond my wants, Beyond my fears, From death into life**

Though I should wander the valley of death,   I fear no evil for You are at my side  
Your rod and Your staff,   My comfort and my hope

**Shepherd me, O God, Beyond my wants, Beyond my fears, From death into life**

You have set me a banquet of love,   In the face of hatred crowning me with love  
Beyond my power to hold

**Shepherd me, O God, Beyond my wants, Beyond my fears, From death into life**

Surely Your kindness and mercy follow me   All the days of my life  
I will dwell in the house of my God, Forevermore

# Closing

## Change Our Hearts

by Rory Cooney

**Change our hearts this time,    You word says it can be.    Change our minds this time**  
**Your life could make us free.    We are the people your call set apart,**

Lord, this time change our hearts.    Brought by your hand to the edge of our dreams,  
One foot in paradises, one in the waste;    Drawn by your promises,    Still we are lured  
By the shadows and the chains we leave behind. But

**Change our hearts this time,    You word says it can be.    Change our minds this time**  
**Your life could make us free.    We are the people your call set apart,**

Lord, this time change our hearts.    Now as we watch you stretch out your hands,  
Offering abundances, fullness of joy.    Your milk and honey seem distant,  
Unreal, when we have bread and water in our hands. But

**Change our hearts this time,    You word says it can be.    Change our minds this time**  
**Your life could make us free.    We are the people your call set apart,**

Lord, this time change our hearts.    Show us the way that leads to your side,  
Over the mountains and sands of the soul.    Be for us manna, water from the stone,  
Light which says we never walk alone. And

**Change our hearts this time,    You word says it can be.    Change our minds this time**  
**Your life could make us free.    We are the people your call set apart,**  
**Lord, this time change our hearts**
