**TODAY'S GOSPEL MESSAGE**Sunday, February 25<sup>th</sup>

Mark 9:2-10

Jesus took Peter, James, and John and led them up a high mountain apart by themselves. And he was transfigured before them, and his clothes became dazzling white, such as no fuller on earth could bleach them. Then Elijah appeared to them along with Moses, and they were conversing with Jesus. . . Then a cloud came, casting a shadow over them; from the cloud came a voice, "This is my beloved Son. Listen to him."

**Reflection**

"Whenever Jesus chooses a handful of disciples to accompany him at a particularly special time, he selects Peter, James, and John. Today he takes these three up a mountain to see him transfigured in glory and hear his Father's affirmation. Though we do not witness Christ's glory in as dramatic a way as Peter, James, and John do, we witness his risen glory in other ways, and most especially as we gather in this holy place."

Mission to  
Honduras

## THANK YOU FOR YOUR SUPPORT AND GENEROSITY

On behalf of the Medical Mission Group I would like to thank everyone in the OLMC community for making our medical mission to Honduras a possibility and a success! While we may have delivered the services, it would not have been possible without the generous support of our church and its members and the invaluable time and effort of our volunteers. You should be very proud of how your contributions made a tangible difference in so many lives!

As a result we were able to reach out to over 1,200 people in the underserved, indigent communities in the mountainous region of Intibucá, Honduras in four different locations during five days. Our spiritual leader there was Padre Alfredo at St. Lucy's parish in Yamaranguila. Our outreach strengthens their spiritual connection to the local Carmelite church as well as making each individual feel special and unique. We received warm smiles and hugs of appreciation from adults and children alike. Local bilingual high school interpreters joined the group and shared with us their dreams of university study with goals of becoming professionals and leaders in their communities. Our outreach goes well beyond medical care and basic toiletries by delivering love and hope to remote areas. On our departure, the most commonly asked question was "when are you coming back?"

That answer depends on you! We need continued support to accomplish that goal. Please feel free to reach out to any one of us to find out how to get involved or message at [olmcmedicalmission@gmail.com](mailto:olmcmedicalmission@gmail.com). All are welcome, especially bilingual speakers and healthcare workers who can enhance our "connection" with these communities, as well as those with experience or interest in fund raising.

Because of you, those who went had an experience they will never forget. These trips are inspirational, adventuresome and immensely gratifying. Each of us was impressed by not how much we gave, but how much we received. I thank you for all of your past support and look forward to your continued generosity to make future missions a reality.

I encourage those with further interest to look at our blog on the OLMC Website (SERVE tab) with descriptions and photos of our daily activities. To find out more about the communities we served go to Facebook and search "Parroquia Santa Lucia Yamaranguila."

OUR AMAZING VOLUNTEERS who left their families, work, and the comforts of home (such as hot showers and home-cooked meals) to travel far and long to become "Healers." As Fr. Alfredo reminded us, Jesus was a healer, and we were there following in Jesus' steps to carry out his call for service and healing.

### *Reflections on the Medical Mission*

"We strove to impart a sense that, despite our patients' ailments and impoverishment, everything was going to be alright. I soon came to realize that at our cores we shared a common calling - we are all "healers."" - Manuel Katz, MD

"The warm and welcoming nature of everyone made for a beautiful life experience and as a bonus, the efficacy and organization of the entire group shined." - Lizette Senatore, Translator

"Thanks to all the doctors, nurses, physical therapists, translators and others who volunteered their time and resources. Thank you for your generosity, your compassion, your mercy and the love you showed for people that have so little, even nothing." - Olga Iscoa, Honduran Translator

"Thank you all very much! You are beautiful people with big hearts! Thank you for your time and for leaving your country to come to ours to help. You left me with very good memories and I hope you return soon!" - Dr. Daniela Figueroa, Honduran Physician who joined our mission

**9:00 A.M. in the Titus Room**

**Please be sure you have provided us with all required information for our records, including the name of your teen's sponsor and your child's baptismal certificate.**

The Church asks that a sponsor be at least sixteen years of age, be fully initiated in the Church (having celebrated the sacraments of Baptism, Confirmation, and Eucharist), and be a practicing member of the Church. He or she does not have to be the same gender as the Confirmation candidate.

All sacraments are necessarily related to baptism, the first sacrament we celebrate. First Communion is an extension of baptism. Children are welcomed to the family of God. The Eucharist is the center of the sacramental life.

**There will be two First Communion Masses: Saturday, May 4<sup>th</sup> at 11 AM and Saturday, May 11<sup>th</sup> at 11 AM.** Rehearsals are the Thursdays before those dates at 3:30 PM. At least one parent and their child are asked to attend the rehearsal for the First Communion Mass they have chosen. The rehearsal will take about 45 minutes.

**First Communion Date:** Saturday, May 11<sup>th</sup>  
*Rehearsal:* May 9<sup>th</sup> at 3:30 PM

### **Dr. Seuss Day**

“Held annually on March 2<sup>nd</sup>, Dr. Seuss Day is a holiday that celebrates the birthday of Theodor Seuss Geisel – otherwise known by the pen name by which he authored children’s books: Dr. Seuss. During the 1990s, the National Education Association advocated for a day to celebrate reading all over the United States. In 1998, it started Read Across America and decided to hold it on the same day as Dr. Seuss’ birthday.”

“Reading aloud to kids has clear cognitive benefits. For example, brain scans show that hearing stories strengthens the part of the brain associated with visual imagery, story comprehension, and word meaning . . . But reading also strengthens children’s social, emotional, and character development.”
